Save the village part1

By _OuZo_

Scenario Background

Ten years after you saved the little village from the hands of the dragon, you receive a letter from the towns people that says:
-Brave heroes we are in need of your gourage and strength, we beg of you to come back to our small town and rescue us ones more.

Mission Goals

Slay all of the monsters that lay inside under the room wehe the drangon was slayed ten years ago, also the town elders told you that there is an acient artifact that u need to find for the towns people.

STARTING AREA

When you enter the cave you see some old equipment and weapons on the floor and you can see some bone pieces next to them.

AREA 2

When you open the door two creatures jump from the shadows and start to attack you. You can allso hear the faint laughter of an ogre.

AREA 3

When you go down the stairs you hear the horrifying howl of a nother ogre:
-Human?... HUMAN?!... HUMANS IN OUR LAIR??...

AREA 4

As you open the door the ogre charges right at you shouting:
-Humans...Yes humans...I will kill you here and then master will reward me!...

AREA 5

After you have gone down the stairs the only thing you see is a long hall way, but no monsters... You start to think that maybe its a trap... or maybe you have come to the end of your quest...
